implemented by NGOs sponsored by the State Governments and endorsed by the administrative Ministry in the Government of India, as also by international organizations like the World Food Programme.

(xi) The Open Market Sale Scheme (Domestic) of wheat is being implemented by Government. Under this Scheme, wheat is sold in the open market by FCI to liquidate the surplus stocks of wheat and at the same time to moderate the price of wheat in the open market. The price of wheat under the OMSS (D) are fixed every month by Food Corporation of India. During the period April, 2001 to February, 2002, a total qty. of 39.17 lakh M.Ts. of wheat has been sold under the Scheme by the FCI as against 9.09 lakh M.Ts. during the preceding year.

As a result of these measures, offtake of foodgrains from the Central Pool has increased to over 230 lakh tonnes during the first 10 months (April—January) as compared with the offtake of 136.8 lakh tonnes during the corresponding period of last year. The increase in offtake works out to 93.2 lakh tonnes (68.27%).

Recently, reduction in the APL CIPs by Rs. lOO'- per qtl. in respect of wheat and rice for a period of three months from 1.4.2002 to 1.6.2002 has been effected. The scale of issue for APL, BPL and Antyodaya households @ 35 Kg. per household per month is being fixed and allocation to the States /UTs. is accordingly increased. The scale of issue for all welfare institutions and hostels uniformly @ 15 Kg. Per head per month and addl. Allocation equal to 5% of the BPL allocation to States/UTs. at BPL CIPs on this account. Sales of 50 lakh M.Ts. of wheat and 10 lakh M.Ts of rice under the Open Market Sale Scheme(Domestic) of wheat has been allowed.
